“ My dad passed away a few weeks ago and I stopped by the Bent and Dent to tell Paulette and Harold because they have known my mom and dad for years and were weekly customers. Phil was sitting behind the counter hanging out with Harold when I walked in. I told them about dad and Phil jumped up and came around the counter and embraced me with one of his giant bear hugs. He also knew my dad because they worked together years ago. He said the kindest things about dad and it was so very comforting to know that people knew and loved him. The entire town of Hayden feels that way about Phil. He was deeply loved because he didn't have pretentious bone in his body. I will always remember that hug and the friendship we shared. Our prayers are for your peace in the days to come.  
Sincerely, Mona Downs
