“ Thoughts and action can't be expressed after we have lost a loved one. I am sure I never told my brother-in-law, how much I appreciated him for the happiness he had given to my sister and for all the things he did for our mother. Taking her to dialysis and even in death, working endlessly trying to get grass to grow on her's and daddy's grave. To my sister, Kay,I would say take comfort in knowing the life that Ray lived and the privilege of sharing so many years together. You are blessed and God has promised you He will be there to get you through the lonely days ahead, keep the faith and trust Him. I love you and will be here to help in any way I can.

“ Although we were officially cousins we really grew up as brothers. The memories are too numerous to recount here. I will always remember his distinctive laugh. His leaving us came much to soon.
