“ I just learned today of Reba's death. I am heartbroken and so much more for her family. I shopped at Reba's Material Girl Store for years. I always enjoyed my visits with her. She talked about her trips, family and she listened to me talk about my craft shows and taking care of my parents. Sometimes I would just stop by to visit. I am going to miss her so much. I went by the store today hoping to visit and found the note "Closed Permanently". I called a friend to see if she knew anything and I got the sad news.

Reba was a wonderful lady and a good friend. I will miss her and know all the knew her will miss her as well! Prayers for all her family.
