“ I only knew Rhonda for a year through a bowling league, but we hit it off quickly. I'll miss her like I've known her forever. I'm thankful I was given the honor and privilege of knowing her, even if only for a short time. I'll always think of her, especially when I bowl. Love you, Rhonda.

Words really can't express the kind of person Rhonda was. She was caring, strong and one of the most kindest people you could meet and the type person that you could grow to love easy and did I say generous. Rhonda you are going to be miss by so many. I love you
