“ Dwayne was my business partner for 14 years. He was like a brother to me, and most importantly was my brother in Christ. Because of this I can say with confidence I will see you again my friend. I pray your family will have peace that passes all understanding and will love and lean on each other in the long days ahead. I believe Dwayne learned what Paul the apostle meant when he said "to live is Christ and to die is gain" May the saving grace of Jesus be extended to all your loved ones. Rest in peace partner. Love you man. Mike Scarvey.

“ I will never forget Dwayne and the adventures we had while stationed in Germany. All the music, the biker rallies, Hard Rock Cafe, and many more memories. He is, and will always be, one of the finest people I have ever known! My heart and love go out to Tina, Michelle, and Derek. He will always be with you as long as you hold him in your heart!

“ I didn't know him personally but from what Terry and Sherry have shared with us, Dwayne's faith was very strong. I'm sure he relied on God to carry him through this time of sickness. You all probably have a lot of good family memories that you can cherish forever. We are thinking of your family and praying for you during this time.
