“ *I remember asking Ricky to pick up a car at my house for me. Wanda was cleaning house, vacuum cleaner wide open. Ricky walks in the front door, Daylight behind him, Wanda catches a glimpse of him. Goes into a full throated scream at the top of her lungs, He was large, unable to see him for the glare or hear him calling her name, she takes second breath & exhausts all air from lungs, Thinking she's going to faint Ricky reaches out to grab her. Third scream was all she had left, fortunately she saw him good. Turned off Vacuum cleaner, as they bot attest to ATTACKED.....Lol I loved hearing Ricky tell the story.....*

“ *Dear Family, No one cooked BBQ like Ricky Little..! Can't tell you how he blessed my heart too see him standing over that grill and turning those "Butts" with his fork and adding his special touch to our 4th of July picnics. Still remember his smile and that soft chuckle in his voice when he'd assure me we'd be cutting meat at 5:30 am sharp. He never missed. I know your hearts are hurting right and I deeply feel your loss, much love to a very special family:
