“ This is prolly one of my favorite memories of Uncle Robert. Everyone got together for Grannys birthday. We danced together, had some drinks together, and had a long heart to heart talk that night. 💕

“ May God comfort & strengthen Robert entire family during this time! To his children may God be your father when you feel fatherless. I want you to know that Robert still lives on in you all and all the memories every day you think about him. Now you all can look back at photos, cards from all occasions, and videos to help each other know how much Robert loved you all and you all loved him. May you all continue to stay strong, continue to keep your Faith in God, and continue to trust God. May God continue to shower down his BLESSINGS upon your entire family in the name of Jesus! Amen! Praise The Lord! I am going to miss seeing him pull up in the ALDOT truck the same time I pull up in the ALDOT truck I was in from working on the road in different cities of Alabama. I can see his smile and see him waving. I would say we made it back safely again. I always would tell him to Have A Great Weekend! I will always remember his smile! God Bless! “ I know ROB is with GOD now, but so sorry to Celeste & Blake it came sooner than expected. He Bragged on his Kids alot, with good reason.

Rob was @ Peace with GOD, as he knew the Bible very well. Rob was a Huge Asset to ALDOT & helped make History by being a Biig Part of creating our ALDOT GPS CORS Network, as he was 'self-taught' in many facets of the Entire Stringent NGS Work that we did & Exceeded Expectations as he strived for Perfection. He is one of the few Employees that "Mastered" his JOB!

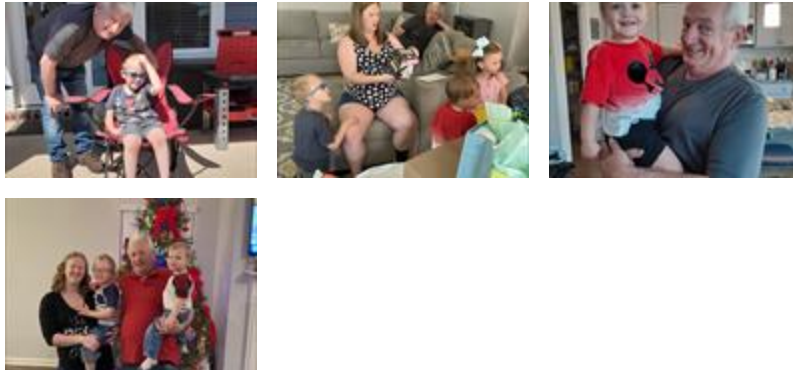

Rob was a loyal Friend to me & many...he will be missed!
