“ Robin and I became friends through the Alabama Air National Guard. We served together for 20 years. We worked in the exact same jobs until the transition of aircraft and then we went in separate directions. Robin was a very likable guy and it was not hard to be his friend. He was a funny guy and loved life. His family and mine shared a lot of good times and he raised three good kids; kids that would make a parent proud. Robin could make you laugh at the drop of a hat and forget your troubles for that moment. Thank You God for him being in my life. RIP!

“ *Well Donnie was like a bother to me and Wanda is my best friend. Their kids I love. I will miss him so bad. The whole family is family to me and mine. I miss us cleaning our yards together. He was an amazing husband and loved his family more than anything. He was best friends with my husband. Ronnie has met him at the pearly gates with Donnie's other family members. They will tend Gods garden together, and it will be beautiful. Gonna miss you so.*
