“ *I am so sorry for your loss. I am Bekah Carter Murdock's Mom and she works with Jennifer. I was reading this obit and saw where he worked at Chicago Bridge and Iron and my own Dad also worked there but would have been about 10 years older than him but I bet they knew each other back in the day. That was originally a very good company and took care of it's employees. His photo looks like he was a happy sweet person. God bless his family with peace and comfort. Yvonne Moon Carter*
