“ *This beautiful man of God was my uncle---my mother's brother. Though he and his wife, Ruth, never had children of their own, they loved their nieces and nephews dearly. When I was old enough to read and write, Uncle Roland would send me letters with questions in them that required me to find the answers in the Bible. He always tried to stump me and usually did, but there was wonderful teaching involved. Above all he wanted me to know about the love of Jesus. The last letter I received from him was this month, and he began it as always with the statement, "Know always that you are loved and prayed for every day." Such a legacy that he left for so many. I thank God for the life he lived and for the tender memories he left upon my heart.*
