I will never forget your since of humor or the kindness you always showed me through the years. I still recall the smiles and laughter as you and Lindsay watched from her car as you waited for me to come out of the bank to discover you two had turned my Auburn car door magnet upside down, or the jokes you kept telling when we went to an out of town wedding of a relative. I will also remember how you were always willing to open your home to me when I would show up with Donna on our way to a movie and how you would always try to give me something to help my arthritis such as a magnetic bracelet, and even a hand carved walking cane in which I promptly told you to hang on to until you became old like me. You were generous from your heart to so many people in so many ways. When we lost our beloved dog Sophie you even took time out of your day to send us a sympathy card. I suppose Donna, Lindsay, Asher and I will now have to eat the entire boxes of donuts that Donna always talks us into buying with one of her coupons when we pass through Hoover. Please keep an eye out for those of us who have been left behind to grieve for you until we all meet again. I know in my heart that you are reunited with Jake, Johnny and your mother along with all your other loved ones.

“ L have so many memories of my Uncle Ronnie. When I was a young child, he always made a point of spending time with me, letting me ride with him to pick up his then girlfriend, later wife Vivian (his car was so cool, an Olds 442 if I remember right). I remember the rock band he, along with my brothers Vic, Kent, and friend Paul Towns formed. They were pretty good, at least to a 6 y/o me.

Later, much later, after my dad and brothers passed, Ronnie aquire his 86 Chevrolet p/u. I got a call from him wanting me to have it. I told him I would love to have it, but couldn't afford it. Ronnie said, come get it. Your dad would want you to have it. Ronnie was a very special person, and will be greatly missed.
