“ *Several years back I missed 5 months of work due to health problems. Ronnie's B-day was during this time and the day of his B-day customers and friends came in and gave him money for his B-day. The next day Ronnie came to my house and handed me a paper bag. In the bag was the B-day money he had received. He gave me his money because he knew I was having a hard time. That was just one out of many times that Ronnie was good to me.*

“ *Ronnie was such a sweet and loving person. The first flowers my husband sent me more than 15 years ago were from the shop Ronnie had at the time and I had never seen such a beautiful arrangement or such talent! He will truly be missed. My deepest sympathy to his family, you are in my prayers.*

“ *Ronnie was a dear friend to us during the time he worked at the BP Store and after. We will always remember his friendly attitude. Of special note I add that children absolutely loved him for his attention to them. He would dress up on Haloween just for them. We pray for Ronnie's soul and for the loss to his family. May God bless and comfort his family and friends.*

“ *Dear God, Please take Ronnie by the hand and lead him into your Eternal Kingdom, and keep him safe forever. It is in Jesus name I pray. Amen. My most vivid memory of Ronnie, is the Halloween" ('83?) he dressed up as Vulcan. I will never forget it. He had the "lighted torch" and was "painted from head to toe" to this day, I have never seen any other person do Vulcan as realistic. but most of all I will remember your good heart and that wonderful sense of Humor. I'll miss running into you at Hall's. Rest in Peace my Flower Friend!
