“ *Rusty, I did not want to see those baby blue's not glowing nor those laughing sounds unheard. It's been years since you and I took different paths. But I have always wondered how life was treating you. It hurts but your friend Von will see you again. I love you.*

“ We are sad to hear of the passing of Rusty. As a past military veteran myself it is always sad to hear of a man so young like Rusty was. We remember the old Pinson Valley football days. So sorry for the family our prayers are with you. Thanks Rusty for serving in the armed forces.
