“ My heart goes out to Sandra's family and I will be remembering them in prayer. I met Sandra years ago when her family moved to Ozark, Al and attended First Assembly of God. She and I were in the same class of 1966 together and became fast friends. We went on double dates together. She went off to college and I married Gary. Many years later we reconnected in Gardendale. She was a very special and beautiful friend. It was very strange the very day she passed I was leaving a store and saw a woman with a hairdo that made me think of Sandi. And a couple of hours later I got the message of her death. I will miss my friend and will see her in Heaven one day. Keeping you in my thoughts and prayers. Carolyn Strickland Vance
