“ Well your gone... Staying here at the house is not easy but I feel closer to you. There isnt a day that goes by that I haven't thought bout you and how much I love and miss you. You were an amazing, sweet, wonderful, kind hearted, caring, loving person and grandmother. I know in my heart you are up there in heaven watching over all of us with TaTa and Uncle Chris. Knowing you aren't in pain and you can walk around puts my mind at ease even though my heart aches and I miss you more every day I feel better knowing you aren't hurting! I'm here at the house helping daddy we are going to make the work. It might be hard but we are gonna do this and I hope you are looking down on us and your proud of us. I turn 18 next month and I'm gonna go visit the cemetery just to make sure things are still cleaned up. I love you with all my heart and I miss you. Fly high up there! Heaven has an amazing angel!

“ Dear Sherry We were not only cousins, but best friends through grammer school and part of our highschool until you transferred to Glenn. I will miss you so much, even though we were miles apart. I will always love you and I am looking forward to meeting you in Heaven. Wish I could be there, but my finances just do not allow. Again, I love you.

She loved you! Just like she loved all of her family! She talked about her family and childhood often. Even though the time wasn't great she is in a better place and isn't in pain anymore. She was a great woman and a wonderful grandmother to us grandchildren. It's not going to be easy but I know she's not hurting and she is up there with her husband and son. She is at home now.
