“ As a little girl my brother would take me to the fishing store and I would see her there and she would talk to me like I was very important. And my mom her niece would tell me stories about her. I was always begging to go to the store so I would see her. I never met a kinder loving person than my Aunt Shirley. We as a family were very blessed to have her in the family. Now I know she is happy and healthy and loving being in heaven now. God Bless you all.... Love always, Kristi Morris

“ Shirley was such a wonderful woman. She cared for me as one of her own. It always made her feel better when it was my week to drive Ginger and I to work, especially if it was raining !!! We always laughed about that. She is be greatly missed but will be in our hearts forever!, Love to all the family. Love, Lisa D.

“ So sorry for your loss. I did not know Shirley, but know two of her daughters and, to raise children like hers, she had to be a wonderful, loving person. The loss of a mother never lessens, but neither do the memories. May God grant each of you peace and comfort.
