“ *I want to offer my deepest and sincere condolences to the Family of Dale Pate. Dale and I grew up together in the same neighborhood and spent most of our childhood together. While I haven't seen him in many years, I did get an opportunity to speak to him last year. Mr Roger and Mrs Beverly, I am so sorry that you are going through this and you have been in my prayers. Brittney, I know that I never got a chance to meet you. Dale and I were very close childhood friends. I pray that the Lord will comfort you and your 3 girls. Brandy, Sam, and Steven God Bless you all as well. I love all of you guys. --*

“ *Oh Dale, How you will be missed by so many! I'll share a funny to me now memory. We loved our time on the farm at our grandparents. And being kids double dog dare ya was fun... Mine once was to see what would happen if I stuck my finger in a lamp that was missing a lightbulb. It didn't feel good....*

*Our last talk on the phone will be my last personal memory. I'm not a phone talker but by gosh I'm so thankful for that call. Even over the phone I could see your big smile and hear your love for your family.*

*Till next time, I love you*
