

Stephen "Steve" Lewis Moon

May 4, 1952 - October 25, 2021

Stephen (Steve) Lewis Moon, 69, of Hoover, Alabama, passed away on Monday, October 25, 2021. He will be forever cherished by his loving wife, Sandra (Sandy) Bain Moon.

Steve is preceded in death by his mother Claudia Earline Singleton Moon, his father Millard Dow Moon and his brother Colonel Millard E. Moon.

Steve is survived by his wife of 38 years, Sandy Bain Moon. Other survivors are nephew, Marcus Moon; mother-in-law, Dean Bain; sister-in-law, Glenda Peak; brother-in-law, James H. Bain Jr. (Gina); nieces and nephews: Lindsay Peak (Aaron Alcodray); Logan Peak (Allyssa); Taylor Layton (Steven); Trevor Bain (Cassie); great nephews: Stellan, Brayden and Brody. Steve is also survived by his special cousin and honorary brother, James R. Pratt (Marcia); along with a host of other treasured relatives and friends.

Steve graduated from Ensley High School, where his family resided during his childhood. To fulfill his desire to enter law enforcement, he attended and graduated from the Birmingham Police Academy. He then spent 10 years with the Birmingham Police Department, South Precinct in Birmingham, AL. During that time, he served his country in the U.S. Army and the Alabama National Guard.

To further his career upon leaving law enforcement, he opened his own business, Legal Investigators. In September of 2002, he joined Hare, Wynn, Newell and Newton law firm as their in-house legal investigator where he remained for the past 19 years.

Steve and his wife Sandy enjoyed traveling throughout their 38 years of marriage from Hawaii to London, New York to Maine and all the islands of the Caribbean. He enjoyed adventures with close friends of 38 years, Lee and Eileen Cook, from sailing around the British Virgin Islands to playing golf in the panhandle of the Gulf of Mexico.

Steve immensely enjoyed his work with colleagues from his Hare, Wynn family. Debbie Byrd holds a special place in Steve's heart for over 30 years of friendship and professional collaboration throughout their careers.

Steve often referred to himself as an investigator, problem solver, and counselor to those that needed him. He himself often learned from his own experiences with his work. He was very honored to have participated in automobile rollover investigations resulting in improvements in: child car seat safety, automobile manufacturing, and many other aspects of personal injury law. Steve considered himself especially fortunate to engage in this worthy endeavor with his cousin, James R. Pratt, Attorney at Law, and others at the Hare, Wynn law firm.

Steve Moon will always be remembered by those who knew him for his kind heart, mentorship and humor. He had a tremendous heart of generosity toward loved ones and strangers alike, in a quiet, unassuming way.

In lieu of flowers, Steve's wife, Sandy, asks that you honor Steve with a donation to one of his beloved charities: Tunnel2Towers Foundation, serving our fallen heroes: firefighters, police and military personnel <https://t2t.org> or Ronald McDonald House, helping families physically, economically and emotionally in their health care journey <http://www.rmhc.org>.

Sandy Bain Moon and family would like to thank all friends and family for their support and love for Steve throughout his life. We are thankful for his love of God and look forward to our joyful reunion in heaven.

“ *I have known Steve for many years through work at Weil Wrecker Service. His smile, sense of humor and kindness has always made him one of my fav people. I was so saddened to hear that God had taken him to his heavenly home this week. His legacy will definitely leave a mark on his many colleagues, friends and precious family. Please accept my deepest sympathy in the loss of this good man. May God hold you close and give you the comfort that only he can. He spoke so sweetly of his wonderful wife and was a friend to so many. I am thankful God gave me the gift of knowing Steve. RIP my friend.*

“ Steve Moon was a friend I greatly admired. He was a man of action, always willing to help and serve others. He knew how to get things done and loved the challenge of solving a problem to help others. Steve’s efforts and actions were always supported by his unselfish foundation of empathy and kindness. He consistently put others ahead of himself and enjoyed surprising friends with his generosity. As just one small example, it was almost impossible to pay for your own meal when dining out with Steve! I have already felt great loss in Steve’s absence, and my thoughts and prayers are with Sandy and family as they go forward. May your many pleasant memories of Steve and God’s presence provide you comfort, courage, and peace in the days ahead.

“ Years ago I wound up at a conference in NYC, where I ran into Steve and Sandy along with Buddy and Frances Looney. One of the guys had rented a limo for the night. I tagged along with the four of them for a wonderful dinner followed by champagne in the limo, sightseeing and dancing. By the end of the night my feet were killing me. Steve took my heels off and started massaging my achy feet. I knew right then he was a "keeper." Sandy, my love and deepest sympathy for your loss. Steve was a kind, generous, loving man, and he will certainly be remembered as such. RIP Steve Moon.
