“ I remember when Aunt Suzy came to visit my mother, Marian Quinn, Her sister. She traveled with her daughters Patti and Lisa from Gardendale, AL. They had not seen each other in 30 years. Watching the two of them talk, it seemed just like yesterday that they were together.

My mother was so grateful that her little sister Suzy came to visit her. Since then they had made several trips to visit my mother before she passed away.

I am sadned to her of her passing away, but grateful that I had a chance to meet her spend time with her on several occassions. Aunt Suzy reminded me of my mother not only in her appearance but her sense of humor.

She will be missed dearly and on behalf of my family please accept our condolences Patti and Lisa.

Love

Cousin Karl,Nancy, Christine and Melanie
