“ Sorry to hear of Terrie's passing. She and my brother Eddy Cleveland were friends and we lived in the same neighborhood. I will pray for each of you

“ I'm so sorry for your family's loss. Terrie and I were close in high school. She was a great friend. We were able to touch base again after many years because we were on Facebook. Any time we started talking on the phone, our conversation flowed for hours about our families and our lives. She will be missed. I'm glad I was able to talk to her last month for a short time.
