“ *To my loving father. I remember the laughs especially the ones you were not supposed to tell me on mom. We took some fun trips and enjoyed when yall came to the beach to visit. I always bought you Crown as a gift and you loved to sit on the back porch and smoke your cigar. I was there when you took your last breath and felt your last hear beat always telling you how much we loved you. The world lost a good man April 7th. Carrying you in my heart always. Love always Rebecca.*
