“ I will never understand these tragic things on this side! This World throws such cruel things at good Families. No Parents, Siblings, Grandparents, Kids, or other Family members should ever have to go through this. I can only say that we love y'all and are praying for God's peace, strength, and comfort!  
Deaths of young people have such a profound affect on our Community and surrounding Communities! We need to pray for all our youth and young people. The things they face today are way too heavy.
