“ We are home now and it is so lomesone without grandmother. We miss her but realize she has gone home to be with her Lord and that has been her wish for a few months now. She had a wonderful home going with all her wishes cared out I know she was smiling down from Heaven on us has we celebrated her home going. The only thing we were missing was two of her grandchildren and their familes and I know she would be happy to see us all togeter and see what her and Papa did.
