“ *Kim, Family, and friends of Jeff,
May the Lord comfort you and the knowledge Jeff is with him. Jeff taught me much about kindness and how to treat people. He was an outstanding person. I have many fond memories working with Jeff many years ago at SouthTrust.*

“ *Dear Kim and Family,
I send my love and sympathy to you all. Jeff was a wonderful person to work with and just "hang" with. He always had a smile on his face and good to everyone he met. He always "took care" of everyone when we traveled and was fun just to be with. His family was most precious to him.....he knew he was blessed. I will always see his smile and remember the fun. I am blessed to have him in my life. Love to you all, Jill Tapscott Wells Fargo Bank/Wachovia/SouthTrust :)*

“ I was never able to meet Jeff in person but through Lynn we were able to Skype or just have phone conversations. Not many Alabama football games went by were we did not hear his voice. Jeff always seemed in high spirit and made us laugh. Hearing that voice is truly going to be missed. Rest easy brother and Roll Tide! I will meet you one day. To the family, my thoughts and prayers continue to go your way.

“ To all of you.....words cannot even begin to bring the comfort needed during this time.....simply know that I am praying for the peace of God to cover each one of you in the way you need to be during this time-He knows what you need. It is hard to believe that Jeff is no longer with us. I know he is no longer suffering and is reunited with Darryl and celebrating their eternities. Jeff was ALWAYS such a good friend---even when the years separated us, all it took was getting back together and it was like we had never missed a beat. He was truly a great friend and I will miss him dearly! Love and prayers to you all! Janet (Wood) Landrum

“ A true friend makes you want to be adventurous, challenges your mind with his wit an sense of humor, challenges you to completely let go of things and be open to the world around you, challenges you to understand all different walks of life. Comfort is friendship though. Comfort is trust. Jeff gave all of this to the many people in his journey. I will always value the time spent with Jeff.
