“ Saddened to hear of William's death, however glad I could be at the funeral to hear what a Christian example he had been to his family, church and community. As the minister said he had his priorities in order: God, Family & Church. at William was always faithful to be a part of our class of 64 reunions from Carbon Hill High School. I share this because some may not know this. In fact, someone at the funeral said to me afterwards, she did not realize William graduated from Carbon Hill until that day. Wonderful service of celebration of his life.

“ Gail & I have known Junior for along time and would like to express our best wishes to Gayla. We realize she will be strong as always and to keep us all in her thoughts. Junior was always one of my best friends in school days which I realize has been along time ago now. We do love you and care about you all.
