“ *Good Morning:*

As you go through this difficult time, you are in our thoughts and prayers.

The Aunt Wilma I remember had an easy smile, was very caring, and laughed often.

A lifetime of wonderful memories will lessen your pain.

Love to All, George

“ *We are so sorry to hear about your mother. She was such an outgoing, friendly person, who made people enjoy being around her. I remember her as fun to be with when I was a young girl. Her smile was beautiful, as she was inside and out, and her eyes sparkled. I can remember looking forward to spending the night with her and Uncle Reid when I was little and we visited Birmingham. They always took me to Kiddie Land to ride rides, and made my visit special. What a loss to those who knew and loved her. May God be with you and bless you with many warm memories of your mother. Love, Sandra (Adams)and Frank Brock*
