“ Dear Scott, Wendy and Layne: Your mother and I were dearest of friends during our 7th - 12th grades at Mortimer Jordan. I moved to Nashville in 1980 and we lost touch with each other over the years until FaceBook came along. We were able to see each other a few years back at a MJ dinner in Gardendale. I was so glad to see her and spend a few minutes with her. I was there when she and your Dad first started dating, and then fell in love with each other. They were the sweethearts of our class. In fact, your Uncle Butch was my "date" for senior prom (my boyfriend was away in the Air Force then) and we four went together! I know life doesn't always turn out like we plan it, and hers was no exception. But I do know you three were her proudest accomplishments. She doted on you and your children and was always eager to tell me about you. We laughed over the fact that she and I both named our sons Scott! She was a wonderful friend to me, always willing to listen, give of herself and help others. She had an infectious laugh and we did a lot of giggling together! How we loved and enjoyed life!! I hate that I was unable to make it to the service. I was coming home from Washington D.C. when i got the news. I would love to have been able to tell you all of this face to face. Anyway--just want you to know that I remember your Mom as a carefree, light-hearted, happy, giggling teenager--- pretty much embracing and enjoying life as I am sure she is doing now!! If any of you ever get to Nashville, I would love to buy you lunch and tell you about your Mom's high school years and what a favorite she was of everyone who knew her and called her friend.

“ *Praying for your family, so sorry for this loss. Wilma was always a wonderful person. I remember many times going over to the Jones house with Ricky and Charlie. Mr and Mrs Jones and all that family played a huge role in many of our lives as kids growing up, playing baseball at Morris. Our loss, heaven's great gain.*
